Representatives wanted!

Would you like to represent Stepping Stones by spreading the news in your area about the charities' work?

We are looking for people up and down the country who would be available to speak / present on our behalf. We will provide you with all the P.A. materials you will need, including a short video (currently being produced), a power point presentation and all the

paperwork you might need. The presentation/video is designed so that you, the presenter, can say as little or as much as you feel confident to say. All you will need is a DVD player or Lap Top Computer and you can give a full presentation to your friends, church or social group. Please get in touch and we will arrange to come and meet with you and give you all the instruction and support that you need.

Old Clothes for Cash!

We are currently collecting second hand clothing and curtains which we can then turn into cash. The items need to be in reasonable condition and placed in

bin liners ready for collection. If you live in or near the Scarborough area all you need to do is call and we will come and collect. It would be great if you can get a few

friends to collect too. At the moment we have been promised at least £500 per ton and all the money will go towards our projects in India. Please contact us for further information.

New Website

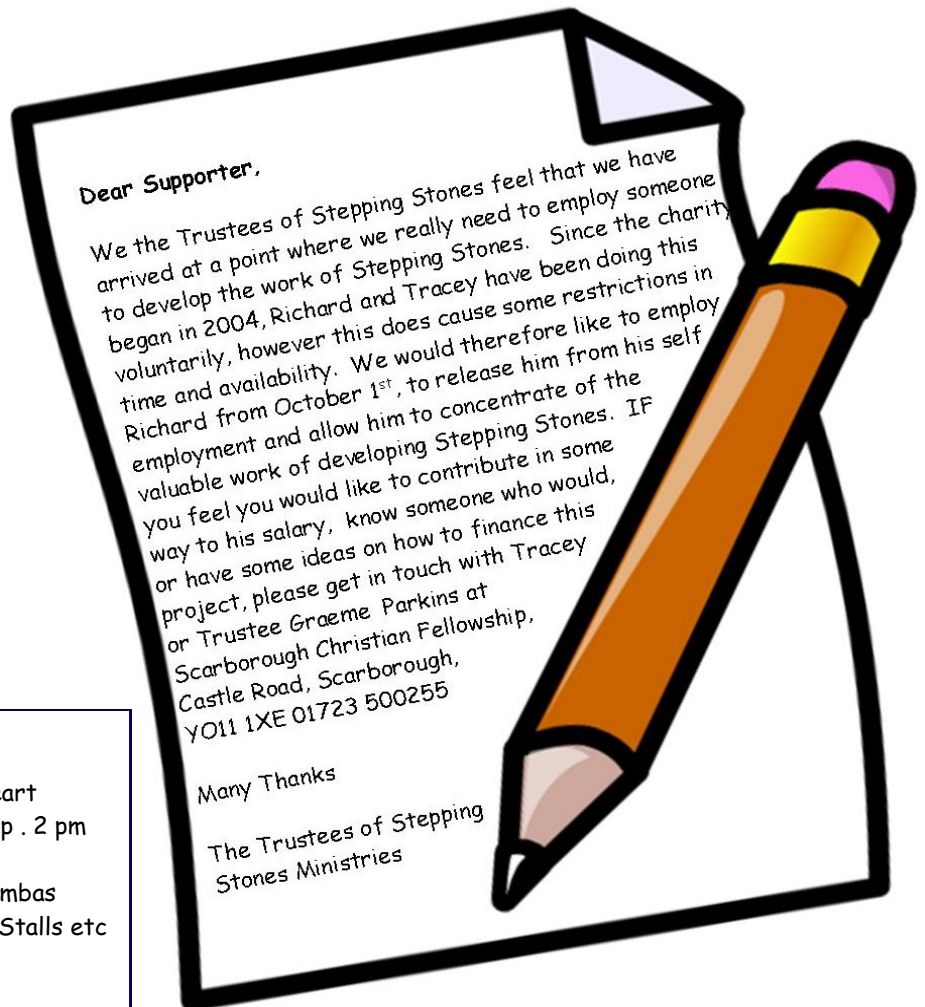

At last we now have a new website with lots and lots of new features. You can email us, read the blog from India, download newsletters, make a donation, see hundreds of pictures and more. We hope that you will love it and more importantly, that you will tell all your friends about it too. We would love to have your comments about the site and anything else that can think of so we look forward to hearing from you soon!

Sponsorship

If you are a regular child or staff sponsor then you are already one of the seventy + people who presently give by direct debit to Stepping Stones each month. At the moment we are looking for sponsors for 2 new orphan boys due at Bethel House and 9 new

orphan girls who are waiting for a place at Bethany Home which we hope to open soon. Sponsors can give as much or as little as they choose starting from £5 p.m. upwards. If you know a friend or relative who may be interested in sponsoring an Indian child in desperate need please ask them to contact us for further information.

Fundraising Events

Summer is the season for charity fundraising events such as Garden Parties, Car Boot Sales, Sponsored Events, BBQ, Concerts, etc.

If you would like to organise a fundraising event this summer on behalf of Stepping Stones and are looking for some ideas please give us a call, or if you need some Newsletters, brochures, collection tins etc. just let us know.

Oh and Thanks for thinking of us!
